Product catalogue April 2024

Our LED lighting range is comprised of high-end products designed to provide the best quality lighting that features eye comfort, a long lifespan, and ultimately, great value for money.

LED

Committed to quality, innovation, and outstanding service.

Illumin8 Imports is a dynamic organisation with endless drive and commitment to be the best in all areas of our operations. We are dedicated to providing quality and affordable products that are environmentally friendly, energy efficient and cost effective for our customers.

We embrace the philosophy that our customers are the most important people in our business, and in this regard, every effort is made to give clients the best products and service at affordable prices. We are committed to offering products with the highest efficiency and lowest effect on the environment.

We are committed to expand to meet the growing needs of our customers. Through the relationships within our supply chain, we have the ability to set and maintain the desired quality standards expected by all our customers, and we are committed to change in accordance with their needs and expectations.

Experience

Our experience in the electrical and lighting business extends over 25 years.

Passion

Our dedication in our business along with our people skills, make us ready for any challenge.

Support

We give our customers peace of mind through a transparent and enriched customer experience.

"

WE BELIEVE THAT INTEGRITY, STRONG PARTNERSHIPS, AND A RELENTLESS COMMITMENT TO CUSTOMER SATISFACTION ARE THE CORNERSTONES OF OUR SUCCESS.
